PROFILE

I'm a Student of BS Software Engineering at PMAS ARID AGRICULTURE UNIVERSTY (UIIT). This is my 2nd year of the degree and i want to do internship to get experience about my field. I want to give benefits to others with my skills . I'm very hard working and pick up things very fast. I'm very interested in your company because it will help me in my study area and provide me the experience that i needed for my life and filed.
